Dear Friends,

The past year has been one of extraordinary growth for arts and accessibility in our state, especially at our organization. As of June 1, **VSA Vermont is now Inclusive Arts Vermont!**

Though our name has changed, our mission has not.

We remain committed to bringing the expressive power of the arts to all Vermonters, especially those with disabilities. We have also renewed our focus on promoting the work of artists with disabilities and impacting systemic change with effective accessibility training.

[Please renew your commitment to accessibility and creative expression today!](#)

There are so many ways that Inclusive Arts Vermont uses the magic of the arts to make Vermont a more accessible place for people with disabilities:

- [Start With The Arts](#) leads the way in early childhood education, instilling a lifelong love of learning in the youngest Vermonters.
- [Adults Arts Education](#) engages the broader community with rich learning opportunities in the visual and performing arts.
- [Collaborative Integrated Arts Residencies](#) pairs teaching artists with classroom teachers, seamlessly working the arts into the curriculum
- [Professional Development](#) trainings guide hundreds of teaching artists and individuals in creating inclusive classrooms and studio settings

Without you, none of these programs would be possible.

Your ongoing support makes Vermont a more exciting, expressive, and inclusive place for people with disabilities.

Your donation to Inclusive Arts Vermont puts arts supplies in the hands

of students, allows teaching artists to engage learners of all ages, and presents the work of Vermont artists with disabilities to audiences statewide.

Let's create a more inclusive and accessible community together.

[Thank you for making a gift to Inclusive Arts Vermont today.](#)

In joyful gratitude,

Katie Miller
Executive Director

Thank you for your continued support!

The mission of Inclusive Arts Vermont is to use the magic of the arts to engage the capabilities and enhance the confidence of children and adults with disabilities. We do this through education, exhibition, and capacity building programs for teachers, students, artists, and organizations.
