

Dear friends,

As we prepare to say goodbye to 2020 and look ahead to 2021, I want to wish you all a safe and joyful transition into the new year. No one can predict how long this pandemic will last, but **you can count on Inclusive Arts Vermont to continue to do what we do best: seeing possibilities and finding the joy.**

And now, I am asking you to see those possibilities with us. **Your contribution will directly support our important work engaging the capabilities and enhancing the confidence of children and adults with disabilities.** Together, we can continue to celebrate creativity and form deep and meaningful connections to community. [Join me today by supporting this work with a financial donation.](#)

Thank you so much for your support. We couldn't do what we do, without you! [Here's a video from us to you.](#)

With immense gratitude,
