A Conversation with Artists **Riva Lehrer** and **Sandie Yi**
on Art, Disability and the Body.

Thursday, August 5th

4:00 pm to 5:00 pm CT*

Join Disability Lead for a conversation with Chicago artists Riva Lehrer and Sandie Yi whose visual and multimedia work has explored and celebrated disability culture and the disabled body. Both artists have redefined what it means to be disabled and, through their art, have offered a rich understanding of the beauty and creativity that is inherent in disabled lives. Riva and Sandie will provide an accessible presentation of their work and then join Risa Rifkind, Disability Lead's Director of Civic Engagement and Marketing, for a conversation on how they use their work to advance, advocate and show the beauty and power of the disability experience.
