We know that coming up with what to say when asking for donations can be challenging. Here's an idea to get you started! Feel free to use it as is, add or remove things, and make it your own!

Hey [[Name!]]

On August 5th, I'm participating in a really fun and unique event called POP. POP is a paint-a-thon benefitting one of my favorite nonprofits, Inclusive Arts Vermont.

IAV has been around since 1986. They use the arts to make our state more accessible for people with disabilities. Their mission means a lot to me because [[fill in your reason]].

You can help me support Inclusive Arts Vermont one of two ways:

1.) Just like running a marathon, I'm collecting donations towards the cause. I have a personal goal of [[Amount]]. Your gift will put art supplies directly in the hands of kids, put teachers in inclusive classrooms, and make our state more accessible for people with disabilities. Please make a gift (make sure to mention you're supporting my POP team) on their website today.

2.) After the event, the paintings will be raffled off. You'll be able to purchase raffle tickets after the event. Each ticket is a chance to win the painting of your choice. More details to come on how to get some of those!

Thanks for your time, [[Name]], and for your donation. I couldn't do this without you!

P.S. Hopefully you'll join me at POP. It's August 5th, 11am - 2pm, at Oakledge Park in Burlington.
